Course Information

Course Overview
The world of pediatric cardiac care is constantly evolving. This one-day conference will provide continuing education on existing and innovative advances in nursing practice for the pediatric cardiac patient. The presentations will address topics from acute inpatient events to long-term management of cardiac patients beginning in the neonatal period and lasting through adulthood. The conference is directed toward neonatal and advanced practice nurses who care for this patient population.

Course Objectives
Upon completion of this course, participants should be able to:
• Identify essential components of care for pediatric cardiac patients
• Identify innovative treatments to care for heart failure patients requiring mechanical support
• Understand the procedure for lymphatic embolization and treatment course for this patient population
• Identify barriers to transitioning adult patients away from a pediatric setting
• Understand treatment options for mobilizing patients during prolonged hospitalizations
• Identify the barriers and education needed to support VAD patients transitioning to home

Nursing Accreditation
This activity has been submitted to the PA State Nurses Association for approval to award contact hours. The PA State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Hotel Accommodations
A block of rooms has been reserved at reduced rates at The Inn at Penn (chopinn.penn.com), located just a few blocks from Children’s Hospital. The group overnight rate is $219 single and double occupancy plus a 15.2 percent room tax. Participants are required to make their own hotel reservations by calling the Inn directly at 215-222-0200. Please mention the name of the conference when making your reservation. The special room rate will be available until Tuesday, April 14, 2015. After that date, reservations will be accepted on a space and rate availability basis.

Cancellation and Refund Policy
The Children’s Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, The Children’s Hospital of Philadelphia will refund any registration fees, less a $40 service charge, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by airlines or travel agencies. In order to process refunds for course withdrawals, cancellation must be received in writing by Thursday, April 30, 2015. No refunds will be issued thereafter.

Services for People with Disabilities
If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.

Program – Friday, May 15, 2015

7 a.m. Registration and Continental Breakfast
7:20 a.m. Welcome and Introduction
Alessa Perry, M.S.N., N.E.-B.C.
7:30 a.m. Partnering with Families
Darlene Barkema, M.A.
8:30 a.m. Heart Care Before Birth: Changing the Landscape for Congenital Heart Disease Through Diagnosis and Management During Fetal Life
Jack Bylok, M.D.
9:30 a.m. Break
9:45 a.m. Ethical Challenges Within a Cardiac Intensive Care Unit
Rebecca Kirsch, M.D.
10:45 a.m. Lymphatic Flow Disorders: Imaging and Treatment
Year Dor, M.D., Ph.D.
11:45 a.m. Lunch
There will be a 15-minute break between the first and second breakout sessions if you would like to switch between group A and B.
12:30 p.m. Breakout Session I
A. Pediatric Mechanical Circulatory Support: Why So Many Options?
Dan Vidano, R.N., B.S.N.
B. ASDs, Tetralogy of Fallot and Coarctation: Caring for your Patient Before and After Cardiac Catheterization Lab Interventions
Rachel Krabben, R.N., M.S.N.
1:30 p.m. Break
1:45 p.m. Breakout Session II
A. There is No Place Like Home: Transitioning a VAD Patient from the ICU to Home
Ashley Patton, R.N., B.S.N.
B. Psychosocial Needs of the Adult Congenital Heart Disease Patient: They Are Not Just Big Kids
David R. Dragusch, M.S.N., C.R.N.P.
2:45 p.m. Breakout Session III
A. Physical Therapy Rehabilitation of the Chronically and Critically Ill Patient in the Cardiac ICU
Rebecca F. Hoffritz, P.T., D.P.T., P.C.S.
B. Helping Cardiac Patients Navigate Through Their Hospital Stay and Illness
Sherry Pallas, M.S., C.C.L.S., Eden Van Alstine, C.C.C.L.S.
3:45 p.m. Adjourn
