Pediatric Emergency Medicine and Critical Care Medicine:

Bedside Ultrasound Course

Saturday, May 30 and Sunday, May 31, 2015

Ruth and Tristram Colket, Jr. Translational Research Building
at The Children’s Hospital of Philadelphia

www.chop.edu/cme

The Children’s Hospital of Philadelphia®
Hope lives here.

**Course Overview**

This course is intended as an alternative to adult emergency and critical care ultrasound courses, with a focus on pediatric emergency ultrasound indications. It is designed for both pediatric emergency medicine and critical care medicine providers with limited or basic knowledge of emergency bedside ultrasound. Through a combination of lectures and hands-on practical sessions using live pediatric models and simulation equipment, course attendees will learn ultrasound fundamentals (physics and principles of scanning) and ultrasound scanning techniques pertinent to pediatric practice, including: basic procedural guidance (line placement, lumbar puncture, etc.); evaluation of abscesses and foreign bodies; bladder scanning; FAST (focused assessment with sonography for trauma); lung evaluation; basic cardiac evaluation; musculoskeletal applications (fracture and joint); bowel scanning (intussusception); fluid and function evaluation; and advanced procedures (nerve blocks, chest tube placement, peritoneal/pleural fluid drainage).

The course is being taught by emergency and critical care ultrasound experts, and will have a low student-to-teacher ratio of 4 to 1. A limited portion of the course will be devoted to a knowledge and skills assessment exam and a brief discussion of program development and administrative issues with regard to point-of-care ultrasound.

**General Information**

The conference will be held at The Children’s Hospital of Philadelphia in the Colket Research Building May 30 – 31, 2015. The registration fee includes continental breakfast, refreshments, lunch, parking and course materials.

**Target Audience**

Pediatric emergency medicine and critical care medicine providers.

**Course Objectives**

1. Demonstrate core nonprocedural ultrasound skills (basic fluid and cardiac function assessment, FAST exam, pulmonary ultrasounds) using bedside ultrasound
2. Demonstrate core procedural ultrasound skills (intravenous line insertion and fluid drainage)
3. Discuss appropriate indications and limitations of the bedside ultrasound exam in pediatric acute care settings

**Accreditation Statement**

The Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA Credit Designation Statement**

The Children's Hospital of Philadelphia designates this live activity for a maximum of 15.25 AMA PRA Category 1 Credit(s)™.

**Cancellation and Refund Policy**

The Children's Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, the Hospital will refund registration fees, less a $40 service fee, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by airlines or travel agencies. In order to process refunds, cancellations must be received in writing by Friday, May 15, 2015. No refunds will be issued thereafter.

**Services for People with Disabilities**

If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.

**Hotel**

A block of rooms with reduced rates has been reserved at the Hilton Inn at Penn located just a few blocks from Children’s Hospital. The group overnight rate is $169 single and double occupancy plus room taxes. Participants are required to make their own hotel reservations by calling the Hilton Inn directly at 215-222-0200. Please mention the name of the conference when making your reservation. The special room rate will be available until Wednesday, April 29. After that date, reservations will be accepted on a space and rate availability basis.
Registration and Continental Breakfast

Welcome and Course Overview
Aaron Chen, M.D., F.A.C.E.P., Akira Nishisaki, M.D., M.S.C.E., F.A.A.P.

Physics and Fundamentals of Ultrasonography: “Knobology” and Image Generation
Anthony J. Dean, M.D., F.A.A.E.M., F.A.C.E.P.

Hands-on: Knobology and Machine Basics
All Faculty

Introduction to FAST/FAFF
Alyssa Abo, M.D.

Vascular Access: Peripheral, Central and Arterial Line Placement
Ronald F. Marchese, M.D., Christie Glau, M.D.

Hands-on Skills: (FAST/FAFF/Vascular Access)
All Faculty

Lunch — Ultrasound Cases and Discussion
Aaron Chen, M.D., F.A.C.E.P.; Akira Nishisaki, M.D., M.S.C.E., F.A.A.P.

Fluid and Cardiac Function (Normal)
Maria Fraga, M.D.

Shock/Hypotension
Nova Panebianco, M.D., M.P.H.

Break

U.S. Artifacts and Lung: Pneumonia, Pneumothorax, Pleural Effusions
Adam Himebauch, M.D.

Hands-on Skills (Lung, Cardiac Stations)
All Faculty

Adjourn
7:15 a.m.  Continental Breakfast
7:45 a.m.  Welcome and Day Two Overview
8 a.m.  Brief Review
8:10 a.m.  Basic Procedures: Abscess, Foreign Body, Bladder, Spinal Tap  
Aaron Chen, M.D., F.A.C.E.P.
8:45 a.m.  Advanced Pulmonary Examination  
Jim Tsung, M.D., M.P.H.
9:15 a.m.  Break
9:30 a.m.  Abdominal Ultrasonography in Pediatric Emergency Medicine  
Kate Deanehan, M.D., R.D.M.S.
Advanced Ultrasound Guided Procedures for PCCM (Pitfalls and Complications)  
Akira Nishisaki, M.D., M.S.C.E., F.A.A.P.
10 a.m.  Musculoskeletal Applications in Pediatric Ultrasound for Emergency Medicine  
Nancy Chauvin, M.D.
Advanced Cardiac Ultrasound for PCCM  
Erik Su, M.D.
10:30 a.m.  Hands-on Skills: Abscess, IV, Shock, Advanced Stations  
All Faculty
12:15 p.m.  Working Lunch — Ultrasound Cases/Image Review  
Aaron Chen, M.D., F.A.C.E.P.; Thomas Conlon, M.D.
1 p.m.  Point-of-care Ultrasound Education  
David Kessler, M.D., M.Sc., R.D.M.S.
1:30 p.m.  Knowledge Assessment: Critical Review of US Scans  
Aaron Chen, M.D., F.A.C.E.P.; Akira Nishisaki, M.D., M.S.C.E., F.A.A.P.
2:15 p.m.  Break
2:30 p.m.  Skill Assessment CCM: Cardiac, Lung, IVC Assessment, Procedural, EM, FAST, IV, Bladder, FB, Cardiac/Lung  
All Faculty
4:30 p.m.  Questions and Answers
Course Evaluation  
Optional — General Discussion: Administrative, Political and Educational Issues
5 p.m.  Adjourn
Course Faculty

**Course Directors**
Aaron Chen, M.D., F.A.C.E.P.
Director of Emergency Ultrasound
Division of Emergency Medicine
Associate Professor of Clinical Pediatrics

Thomas Conlon, M.D.
Attending Physician
Department of Anesthesiology and Critical Care Medicine

Akira Nishisaki, M.D., M.S.C.E., F.A.A.P.
Associate Medical Director for Clinical Implementation Programs
Department of Anesthesiology and Critical Care Medicine

**Course Faculty**
Alyssa Abo, M.D.
Associate Director of Emergency Ultrasound
Division of Emergency Medicine
Children's National Medical Center
Assistant Professor of Pediatrics and Emergency Medicine
George Washington University School of Medicine

Nancy Chauvin, M.D.
Attending Radiologist, Department of Radiology
Assistant Professor of Radiology and Surgery

Lei Chen, M.D., M.H.S.
Director of Research, Section of Emergency Medicine
Yale-New Haven Hospital
Associate Professor of Pediatrics
Yale University School of Medicine

Alfred Cheng, M.D., M.S.C.E.
Associate Director of Emergency Ultrasound
Attending Physician
Cooper University Healthcare

Kassa Darge, M.D., Ph.D.
Chief, Division of Body Imaging
Department of Radiology
Professor of Radiology and Surgery

Anthony J. Dean, M.D., F.A.A.E.M., F.A.C.E.P.
Director, Division of Emergency Ultrasonography
Department of Emergency Medicine
Hospital of the University of Pennsylvania
Associate Professor of Emergency Medicine and Associate Professor of Emergency Medicine in Radiology

J. Kate Deanehan, M.D., R.D.M.S.
Assistant Professor
Pediatric Emergency Medicine
Johns Hopkins Children's Center

Maria Fraga, M.D.
Attending Physician
Division of Neonatology
Associate Professor of Clinical Pediatrics

Christie Glau, M.D.
Clinical Fellow
Department of Anesthesiology and Critical Care Medicine

Adam Himebauch, M.D.
Attending Physician
Department of Anesthesiology and Critical Care Medicine
Assistant Professor
Department of Anesthesiology and Critical Care Medicine

David Kessler, M.D., M.Sc., R.D.M.S.
Director of Pediatric Emergency Ultrasound and Clinical Simulation
Division of Pediatric Emergency Medicine
New York Presbyterian Morgan Stanley Children's Hospital of New York
Assistant Professor of Pediatrics
Columbia University College of Physicians and Surgeons
Research Director for the INSPIRE network

Ronald F. Marchese, M.D.
Attending Physician
Division of Emergency Medicine
Assistant Professor of Clinical Pediatrics

Nova Panebianco, M.D., M.P.H.
Attending Physician
Department of Emergency Medicine
Associate Director of Emergency Ultrasound
Hospital of the University of Pennsylvania
Assistant Professor of Emergency Medicine

Erik Su, M.D.
Director of Pediatric ICU Ultrasound Program
Johns Hopkins Children's Center
Assistant Professor
Department of Anesthesia and Critical Care Medicine
Johns Hopkins University

Jim Tsung, M.D., M.P.H.
Director of Pediatric Emergency Ultrasound
Mount Sinai Hospital
Associate Professor of Emergency Medicine and Pediatrics
Icahn School of Medicine at Mount Sinai

Unless otherwise noted, faculty is from The Children's Hospital of Philadelphia and the Perelman School of Medicine at the University of Pennsylvania.

Institution/Hospital _________________________________________________________________

*Home Address _______________________________________________________________________
City __________________________ State _______ ZIP _____________________
Phone __________________________ Fax ____________________

*Email ____________________________________________________________________________

*Discipline:  ☐ Emergency Medicine  ☐ Critical Care Medicine  ☐ Other ______________________

* Required Field

Prior Point-of-care Ultrasound Experience
☐ None
☐ Limited, mostly for line placement
☐ Limited, but use it for multiple diagnostic and procedural indications
☐ Moderately experienced in multiple diagnostic and procedural indications

Conference Registration Fee: $900

Method of Payment
☐ Personal check  ☐ Institutional check
(Please make check payable to The Children’s Hospital of Philadelphia.)
☐ Discover  ☐ MasterCard  ☐ American Express  ☐ VISA
Credit Card #: _____________________________________________________________
Exp. Date ___________________________________________

Registration will not be processed unless accompanied by full payment.
Faxed registrations will be accepted for credit card payments only.

Mail/fax the completed registration form and payment to:
