

2018 Webinars

Current Issues in Vaccines

Presenter

Paul Offit, M.D.
Director, Vaccine Education Center at CHOP

The Vaccine Education Center at Children's Hospital of Philadelphia (VEC), together with the Pennsylvania Chapter of the American Academy of Pediatrics, is pleased to offer a Vaccine Webinar Series for healthcare providers.

Each "Current Issues in Vaccines" webinar presents topics being addressed by the Advisory Committee on Immunization Practices (ACIP), covered by the media or asked about by parents. Specific topics will be available on the registration page approximately one to two weeks before each event. Each presentation will be 40 to 45 minutes, followed by 15 to 20 minutes of audience questions.
