1. **MISCELLANEOUS PROVISIONS:** These Terms & Conditions (“Terms and Conditions”), the Master Services Agreement to which they are attached, any applicable SOW and the applicable Purchase Order(s) (“Purchase Order”), (collectively, the “Agreement”), shall constitute the complete and exclusive statement of the agreement between The Children's Hospital of Philadelphia (“CHOP”) and Service Provider with respect to the goods and/or services purchased hereunder (the “Goods” and/or “Services”). Service Provider’s execution of the Agreement or commencement of Services or shipment of Goods, whichever comes first, constitutes Service Provider’s acceptance of this Agreement. This Agreement may be modified only pursuant to a written instrument signed by authorized representatives of both Parties. The invalidity in whole or in part of any provision of this Agreement shall not affect the validity of other provisions. To the extent that Service Provider utilizes terms and conditions of its own in its business, irrespective of whether or not those terms are set forth in any invoice or other Service Provider document provided to CHOP or available on Service Provider’s website in “click-through” format or otherwise, such terms and conditions shall not apply to CHOP. Any conflict between this Agreement and/or its Exhibits shall be resolved according to the following order of preference: Business Associate Agreement, these Terms and Conditions, any amendment to this Agreement, the Master Services Agreement to which this Exhibit A is attached, and any SOW executed hereunder. A Party’s failure to exercise any right, power or privilege under this Agreement shall not be construed as a waiver of that Party’s present or future right to do so. The headings in this Agreement have been inserted solely for reference and shall be of no legal effect. For purposes of this Agreement, the term “CHOP” shall include all affiliates, subsidiaries and parents of The Children’s hospital of Philadelphia.

2. **GENERAL WARRANTIES:** Service Provider warrants that all Goods shall conform to the specifications of this Agreement and shall be merchantable, free from defects (including defects in design and fit), free of all liens and encumbrances, suitable and approved by any applicable regulatory authorities for the intended purposes, and consistent with generally accepted industry standards. Service Provider warrants that all Services shall conform to the specifications of this Agreement and shall be provided in a diligent, professional and workmanlike manner and performed according to the highest professional standards. Service Provider further warrants that the Goods and/or Services and Service Provider’s performance hereunder shall comply with all applicable laws, rules and regulations and shall not infringe or otherwise violate any intellectual property, proprietary, or contractual right of any third party. In the event of a breach of these warranties, Service Provider will, at CHOP’s option, promptly repair, re-perform or refund all payments received for non-conforming Goods (that CHOP returns) or Services. The foregoing warranties and remedies are in addition to, and shall not limit any other warranties, buyer protection rights or remedies as may be available at law, in equity, under other programs or offers of Service Provider or under this Agreement. Service Provider further represents and warrants that it has the authority to execute, deliver and perform its obligations hereunder, having acquired all required consents; and is duly organized and formed and validly existing and in good standing under the laws of its incorporation or formation.

3. **PRICE WARRANTY; PRICE INCREASES:** No minimum order quantity or dollar amount of spend shall apply. Service Provider represents and warrants that the price(s) for the Goods or Services stated herein are no less favorable than those extended to any other customer (whether government or commercial) for the same or similar goods or services in similar quantities. In the event Service Provider reduces its price(s) for such goods or services before Service Provider fully performs under this Agreement, Service Provider agrees to reduce the prices stated herein accordingly. Service Provider further represents and warrants that the prices stated herein are complete, and that no additional charges of any type, including but not limited to shipping costs, shall be added without CHOP’s express written consent. Service Provider agrees that it will only increase prices at the end of each Term and after providing CHOP with at least six (6) months’ written notice. Price increases shall be limited to the lesser of three (3) percent or The Consumer Price Index for all Urban Consumers (CPI-U); US City Average; All items, not seasonally adjusted, 1982-1984=100 reference base.

4. **FAIR MARKET VALUE; NO INDUCEMENTS:** Each party represents that the compensation provided under this Agreement represents the fair market value of the Goods and Services to be performed, has been negotiated in an arm's-length transaction, and has not been determined in any manner with regard to any implicit or explicit agreement to provide favorable procurement decisions with regard to the Service Provider's Goods or Services, or to the value or volume of any business or referrals generated between the Parties.

5. **PERSONNEL:** Each individual involved in performing any Service under this Agreement will be subject to CHOP’s review and approval. CHOP may at any time, for any or no reason, notify Service Provider that it will no longer accept Services performed by any one or more of Service Provider’s employees or agents. In the event of such notification, Service Provider shall promptly remove the individual(s) in question from the CHOP account. CHOP shall have no obligation to disclose to Service Provider the reasons for any such notice. Such removal shall not terminate this Agreement and Service Provider shall continue to perform hereunder as it did prior to such removal.
6. **TIMELY PERFORMANCE:** Time is of the essence such that CHOP shall have an unrestricted right to reject the Goods or Services with no further obligation to Service Provider if Service Provider fails to meet the delivery date and conditions specified by CHOP. Such failure shall be deemed a material breach of this Agreement.

7. **DELIVERY:** Delivery is to be made only to the destination stated in the Purchase Order. Delivery shall be made both in full quantities and on the date and at the time specified on the Purchase Order, strictly in accordance with CHOP’s delivery schedule. Goods delivered in excess of the quantity specified may at CHOP’s option be returned to Service Provider at Service Provider’s expense. If CHOP has paid up front for the Goods in question and CHOP elects for a refund per the prior sentence, Service Provider agrees to make such refund within thirty (30) days. Unless otherwise specified on the Purchase Order, no deliveries shall be made in advance of CHOP’s delivery schedule. When Service Provider has reason to believe that deliveries will be delayed, Service Provider shall immediately provide CHOP written notice setting forth the cause of the anticipated delay. If Service Provider’s deliveries fail to meet CHOP’s delivery schedule, CHOP, without limiting its other remedies, may direct expedited shipping, in which case Service Provider shall bear the incremental shipping cost.

8. **RISK OF LOSS:** Service Provider shall bear the risk of loss of, or damage to, all Goods until they are accepted by CHOP as set forth below in Section 11.

9. **FREIGHT:** CHOP shall not be charged for returns, boxing, packing, crating, or storage unless stated herein. Goods shall be suitably packed to secure the lowest transportation cost that is appropriate given the nature of the Goods, and conform with shippers’ and carriers’ requirements. Pricing shall be all-inclusive unless approved by CHOP in writing in advance. If purchase terms are “F.O.B. Shipping Point,” Service Provider shall use CHOP’s UPS account # Fb30V5. If combined shipping weight exceeds 150 pounds, Service Provider must call TRIOSE at 866-241-2268, extension 204 prior to shipping, to receive routing instructions. All shipments must reference CHOP’s Purchase Order number. “F.O.B. Origin” shipments will be returned at Service Provider’s expense unless otherwise instructed by CHOP in writing.

10. **HAZARDOUS AND REGULATED MATERIAL:** Service Provider shall package, label, transport and ship hazardous materials, items containing hazardous materials and any other regulated materials, in accordance with all applicable federal, state, and local laws, rules, ordinances and regulations, and shall furnish to CHOP any appropriate documentation or Material Safety Data Sheets prior to each shipment of same. Prior to each shipment of any hazardous or regulated materials, Service Provider shall notify CHOP of the nature of such shipment by such means of communication as will allow for the proper preparation for acceptance of the delivery and shall identify same on all shipping documents. Service Provider shall be solely responsible for notifying carriers and other handlers of any risks inherent in any such shipments.

11. **FINAL INSPECTION AND ACCEPTANCE:** All Goods or Services shall be subject to CHOP’s final inspection and acceptance, notwithstanding any prior payment or preliminary inspection on the part of CHOP. CHOP shall provide written notice of its final acceptance of the Goods and the completion of the Services (including any required installation of the Goods), (the “Final Acceptance”). While Final Acceptance is pending, CHOP may return to Service Provider any non-conforming Goods and/or require Service Provider to correct or replace such non-conforming Goods or Services, in each case at no cost to CHOP. In the event CHOP does not require any such correction or replacement, Service Provider shall, within thirty (30) days of CHOP’s notice of the return in question, refund all payments received for non-conforming Goods (that CHOP returns) or Services. Such remedies shall not limit any other rights or remedies CHOP may have at law, in equity, or under this Agreement. CHOP is not required to accept partial or incomplete delivery. Acceptance of any part of the Goods and/or Services shall neither bind CHOP to accept any future delivery nor deprive CHOP of any right CHOP may have to return Goods already accepted.

12. **PAYMENTS AND INVOICES:** CHOP’s standard payment terms for undisputed amounts are Net 45 days from the invoice date unless otherwise specified on the Purchase Order. Service Provider may have the option to receive special payment terms via ePayables using a unique credit card number which Supplier uses to settle approved invoices. CHOP will not be liable for late payment charges. All applicable taxes from which CHOP is not otherwise exempt must be itemized on invoice. Any Service Provider terms and conditions set forth on Service Provider’s documentation shall not be enforceable as to CHOP. All invoices should be sent to the following centralized address: The Children’s Hospital of Philadelphia, PO Box 2015, Secaucus, NJ 07096-2015 or invoices may be emailed to: chap.apinvoice@ipssservices.com. Invoices for Goods or Services not received or performed will be rejected. The Purchase Order number must appear on all invoices, packing slips, shipping documents and labels. Invoices received without a valid Purchase Order will be rejected. Alternatively, credit(s) from previous transactions may be accepted by CHOP in its sole discretion, if so negotiated between the Parties in advance in writing. If this Agreement contemplates reimbursement of Service Provider’s travel and/or other business expenses, Service Provider agrees to comply with CHOP’s Travel Policies and Procedures (attached hereto as Exhibit B) for reimbursement of actual expenses incurred. CHOP may withhold payment on any invoiced amounts reasonably disputed in good faith under this Agreement. Such nonpayment shall not constitute a breach of this Agreement and the Parties shall work together in good faith to resolve the dispute in a timely manner. Service Provider shall continue performing its obligations hereunder notwithstanding such dispute and/or nonpayment.

13. **TERMINATION:**
   a. CHOP may terminate this Agreement at any time, in whole or in part, by providing written notice to Service Provider. Upon receiving notice of termination, Service Provider shall immediately cease all performance hereunder and shall cause its suppliers and subcontractors (if any) to stop all work in connection with this Agreement. If such termination is for CHOP’s
convenience, CHOP, after deducting any amount(s) previously paid, shall pay an equitable amount for all Goods provided or Services rendered by Service Provider, up to the time of termination, excluding Service Provider’s lost profits. Under no circumstances shall Service Provider be entitled to recover more than the price of the Goods or Services actually received or performed, as stated in this Agreement. Upon receiving notice of CHOP’s termination, Service Provider shall use its best efforts to reduce or mitigate any costs incurred in connection with the Goods or Services.

b. Either party may, without prejudice to any other rights or remedies provided at law, in equity or under this Agreement, by written notice to the other party, terminate this Agreement in whole or in part under any of the following circumstances:

i. If the non-terminating party ceases to do business in the normal course, files for bankruptcy, becomes insolvent, makes an assignment for the benefit of creditors, is in receivership or is the subject of any proceeding relating to liquidation or insolvency which is not dismissed within ninety (90) days; or

ii. If the non-terminating party fails to perform any of the terms of this Agreement and so fails to cure such failure within thirty (30) days after receiving written notice from the terminating party.

In the event CHOP terminates this Agreement pursuant to this subparagraph b, Service Provider shall also be obligated to pay any direct damages, including but not limited to all additional costs that CHOP may incur in finding replacement Goods and/or Services, as well as any consequential and incidental damages incurred by CHOP. In the event Service Provider terminates this Agreement pursuant to this subparagraph b, CHOP shall not be liable for consequential and incidental damages incurred by Service Provider and in no circumstances shall CHOP’s liability in any disputes arising under this Agreement exceed the price of the Goods or Services as stated herein.

c. Upon termination of this Agreement, CHOP, in addition to any other rights or remedies available at law, in equity, or under this Agreement, may require Service Provider to transfer title to and deliver to CHOP, in the manner and to the extent directed by CHOP, any completed or partially completed Goods as well as any Services, deliverables, plans, drawings, or other materials that Service Provider has specifically produced or acquired for the performance of this Agreement (“Performance Materials”). Payment for such Goods or Performance Materials shall be at the price specified in this Agreement, prorated, or as otherwise agreed upon in writing by the parties.

14. FORCE MAJEURE: Except with respect to defaults of Service Provider’s subcontractors and in connection with any service level agreements associated with software or software-as-a-service, Service Provider shall not be liable to CHOP for Service Provider’s failure to perform hereunder, to the extent that such failure arises out of causes beyond the control and without the fault or negligence of Service Provider and despite the best efforts of Service Provider. Such causes include acts of God, acts of a government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes or freight embargoes.

15. CHOP EQUIPMENT: All materials, tools, equipment and other property either furnished by CHOP to Service Provider or paid for by CHOP (“CHOP Equipment”) shall remain the property of CHOP, but Service Provider shall assume all risks of and be entirely responsible for any losses or damages arising from its use of CHOP Equipment. Upon completion or termination of this Agreement, Service Provider shall promptly return all CHOP Equipment in the condition in which Service Provider received it, taking into account reasonable wear and tear.

16. INDEPENDENT CONTRACTOR: In performing hereunder, Service Provider and its employees, agents, subcontractors and representatives are independent contractors and not employees or agents of CHOP. All persons furnished or retained by Service Provider in connection with this Agreement are so furnished or retained as Service Provider’s employees or agents. Nothing in this Agreement or in the course of business between Service Provider and CHOP pursuant hereto shall be deemed to create a partnership, joint venture, association, employment or any other relationship other than that of independent contractor with respect to each other. Service Provider shall not transact business, enter into agreements, or otherwise legally bind, or make representations, warranties or commitments on behalf of CHOP unless expressly authorized in writing by CHOP. Neither Service Provider nor its employees, agents, subcontractors or representatives shall be entitled to benefits provided by CHOP to its employees, including but not limited to fringe benefits, worker’s compensation, health and unemployment insurance, and pension plans. CHOP shall not pay or withhold federal, state, or local income or other payroll taxes on behalf of Service Provider or its employees, agents, subcontractors or representatives. Service Provider agrees to report and pay all applicable taxes.

17. INDEMNIFICATION: Service Provider shall defend, indemnify and hold harmless CHOP, its subsidiaries, affiliates, attorneys, parents, officers, employees, trustees, medical and research staffs, agents and representatives, successors and assigns (“CHOP Indemnitees”) from and against any and all actions, claims, demands (including pre-litigation demands), damages, liabilities, expenses, losses of every nature and kind, including but not limited to attorneys’ fees and costs, (collectively, “Claims”) sustained or alleged to have been sustained, or asserted in connection with or arising out of: a) the performance (or failure to perform) hereunder of Service Provider, its agents, employees, subcontractors and consultants, even in the event CHOP is alleged or found to be partially negligent; b) Service Provider’s failure to comply with the insurance provisions of this Agreement; c) death, bodily injury or property damage to or caused by any Service Provider Releasers (as such term is defined below) while onsite at CHOP’s premises; d) any breach of this Agreement; e) any data breach of CHOP confidential information or protected health information governed by any Business Associate Agreement executed by the Parties; f) the failure of any installed software or software-as-a-
service provided to CHOP incident to this Agreement to perform consistent with documentation or user guides provided by Service Provider; g) product liability claims brought against CHOP in connection with any Goods sold or licensed to CHOP hereunder; h) acts or omissions of negligence, willful misconduct or fraud of Service provider, its agents, employees, subcontractors and consultants; and (i) allegations that the Goods, Services or any work product or component thereof furnished by Service Provider infringe or otherwise violate the intellectual property rights of any third party.

If any Claims alleging infringement of intellectual property rights, including but not limited to Claims of patent or copyright infringement or misappropriation of trade secrets, are brought against any CHOP Indemnitee(s) in connection with CHOP’s use of the Goods or Services, Service Provider shall procure for CHOP the right to continue to use such Goods or Services or replace or modify such Goods or Services such that the alleged infringement is removed; provided, however, that such alleged infringement does not arise solely from CHOP’s alteration or modification of the Goods or Services.

18. RELEASE OF CLAIMS. Service Provider on behalf of itself and its present and former officers, directors, employees, agents, attorneys and representatives, successors and assigns (“Service Provider Releasers”) performing Services hereunder, hereby knowingly and voluntarily releases, waives, acquits and forever discharges, to the fullest extent permitted by law, the CHOP Indemnitees from any and all Claims, in any jurisdiction, known or unknown, suspected or claimed, fixed or contingent, specifically mentioned herein or not, that Service Provider Releasers have or may have or claim to have now, or that may hereafter arise, related to the Services or this Agreement, including, but not limited to, any and all liability, loss, damages and expenses arising directly or indirectly from, or connected with the death, bodily injury or property damage to or caused by Service Provider representatives while onsite at CHOP’s premises.

19. INSURANCE: Service Provider shall maintain and keep in force at Service Provider’s expense the following minimum insurance coverages during the Term and for three (3) years thereafter:

Certificate(s) evidencing the above insurance coverages—with a statement that CHOP is an additional insured as indicated above and that the insurance afforded is primary insurance as to any other valid and collectible insurance in force—shall be sent to CHOP’s Risk Management and Insurance Department, before Service Provider’s performance begins. Renewal certificates shall be provided annually until three years after Service Provider termination of this Agreement. Otherwise, Service Provider will provide reasonable written evidence of such insurance coverage upon the request of CHOP. Service Provider agrees that Service Provider, Service Provider’s insurers and anyone claiming by, through, under or in Service Provider’s behalf shall have no claim, right of action, or right of subrogation against CHOP and CHOP’s affiliates, directors, officers, employees and contractors.
Service Provider shall be solely responsible for payment of premiums, deductibles and retentions for all of the required insurance. Should any of the required insurance policies be cancelled or materially changed, Service Provider shall provide prior written notice to CHOP’s Risk Management and Insurance Department.

Service Provider shall not be relieved of any liability or other obligations hereunder by reason of its failure to obtain or maintain insurance in sufficient amounts, duration or types.

20. INTELLECTUAL PROPERTY: All copyright, trademark, patent and other intellectual property rights that arise directly from Service Provider’s performance hereunder shall belong to CHOP, including but not limited to any works of authorship that Service Provider creates pursuant to this Agreement, which works shall be deemed works-for-hire under federal copyright law. By accepting this order, Service Provider represents and warrants the Goods and/or Services hereby ordered and the sale, lease, or use of it will not infringe or otherwise violate any United States or foreign patents, copyrights, trademarks, or other intellectual property rights of any third party. All materials, Services or other work product (the “Work”) produced by Service Provider hereunder are, have been since creation and shall forever be “works made for hire,” as defined in the Copyright Act, 17 U.S.C. § 101, et seq., with all rights of authorship and ownership fully vested in CHOP. If for any reason at any time in the future the Work or any part thereof is deemed not to be a work made for hire, this Agreement shall serve as a full and irrevocable assignment to CHOP of all right, title, and interest in the Work, for the full duration of copyright and for all renewals and extensions of copyright that may be obtained under the laws now or hereafter in force and effect in the United States of America, and any other country or countries. CHOP shall have the sole right but not the obligation to register the Work in the name of CHOP with the United States Copyright Office and any other copyright office throughout the world. The rights conveyed in this Agreement are without limitation as to media or technology now known or hereafter invented, time, or territory worldwide. CHOP and its successors or assigns may freely adapt, modify, use or not use or translate the Work, and may assign or transfer rights under this Agreement without notice to Service Provider. Service Provider expressly waives any so-called “moral right” or right of attribution, and agrees to execute any further documents as may be required to effectuate this Agreement, and hereby irrevocably appoints CHOP as attorney-in-fact (coupled with an interest) to execute any such documents.

21. DEFEND TRADE SECRETS ACT NOTICE. Service Provider agrees that it has read and understands the provision set forth below and will provide written notice of it to each individual performing Services hereunder:

Notwithstanding anything to the contrary contained in this Agreement, pursuant to the Defend Trade Secrets Act of 2016, no individual will be held criminally or civilly liable under federal or state trade secret law for disclosure of a trade secret (as defined in the Economic Espionage Act of 1996) that is: a) made in confidence to a federal, state or local government official, either directly or indirectly, or to an attorney, and made solely for the purpose of reporting or investigating a suspected violation of law; or b) made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal so that it is not made public. An individual who pursues a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceedings, if the individual files any document containing the trade secret under seal, and does not disclose the trade secret except as permitted by court order.

22. SOFTWARE: With respect to any software provided under this Agreement, Service Provider grants to CHOP a worldwide, royalty-free, perpetual license to make back-up copies of such software and to copy, modify and otherwise appropriate such software for CHOP’s internal and non-commercial purposes. Service Provider hereby warrants that the software (including all updates, enhancements, upgrades or modifications to the software subsequently supplied by Service Provider) as of the date of first installation in CHOP’s information services environment (a) is free from defects that will materially affect its performance; (b) is compatible with and will function in CHOP’s information technology environment and hardware and in its operating system as configured in accordance with Service Provider’s hardware recommendations and specifications as amended by Service Provider from time to time within its reasonable discretion; (c) is free, as of the date of installation into CHOP’s information technology environment from infection by malicious software including without limitation viruses, worms, Trojan horses or other programs, applications or anything else manifesting harmful, contaminating, disabling or destructive properties; (d) does not contain any backdoor or concealed access devices, “locks” or other programs or devices that upon the occurrence of a specified event or with the passage of time will render the software inoperable; and (5) conforms in all material respects to and will operate in accordance with the specifications for the software.

23. ACCESS TO, AND SECURITY OF, CHOP NETWORK: If Service Provider will be accessing CHOP’s computer network, then: (a) Service Provider will provide security administration support to CHOP for Service Provider’s functions, including developing new security classes specific to roles and adding, changing or deactivating Service Provider employee access levels. Service Provider will adhere to all CHOP security related policies and standard service levels. Service Provider will be responsible for the timely removal and termination of user access when access for an individual is no longer appropriate. (b) Service Provider shall be granted limited access to the CHOP information services environment, including CHOP’s network, whether remote or on site, for the exclusive purpose of undertaking the transactions and Services provided for in this Agreement. Service Provider covenants and agrees that (i) Service Provider will not gain or attempt to gain access to CHOP information services functions or
modalities other than to the extent necessary to render specific Services hereunder, and (ii) Service Provider will not allow any Service Provider employee or agent to gain access to the CHOP network who does not reasonably require such access to the CHOP network in rendering Services. Any such attempted access or any access or procedures by Service Provider performed outside of those explicitly approved will be considered unauthorized access to CHOP’s environment and network and a material breach of this Agreement. Service Provider hereby agrees to terminate the access of any employee or agent to CHOP’s network promptly upon the conclusion of such person’s completion of its portion of Services under this Agreement. (c) Service Provider is responsible for following CHOP policies and procedures for access to the CHOP environment and network and for security, change control and system documentation while connected to the CHOP environment, network and related systems. Procedures include making no change to the configuration of system on the CHOP network without explicit CHOP approval and providing appropriate documentation of the approved change. (d) Service Provider is responsible for protecting the authentication method of any of Service Provider’s employees or agents to the CHOP environment and network and preventing any misuse of the ID and access method provided by CHOP to Service Provider. Service Provider is required to operate its network in a secure manner and is responsible for any loss resulting from access to CHOP from or through the Service Provider network. Service Provider is required to insure that the resources that support this contract connect to the CHOP network through a CHOP-supplied, secured broadband connection and is responsible for any loss to the extent resulting from use of unsecured connection methods. For vendor managed systems, Supplier is responsible for maintaining system patching levels consistent with CHOP policies and procedures. (e) Without prior written approval from CHOP, Service Provider shall not install any information services program or software on the CHOP information services network or in the CHOP information services environment, or any portion or component thereof, including hardware or software and Service Provider shall not alter, modify the CHOP information services network or the CHOP information services environment, or any portion or component thereof, including hardware or software.

24. CONFIDENTIAL INFORMATION: Confidential Information shall include any and all information disclosed by CHOP (or its designee) to Service Provider, regardless of the format in which such information is shared (oral, written, electronic, hard copy or otherwise) and regardless of whether or not such information is designated as confidential and/or information that a reasonable person would consider confidential based on the nature of such information and the circumstances of disclosure, and includes but is not limited to any CHOP information received from Service Provider from and any third party and/or learned by Service Provider during any visit to CHOP facilities. The Terms of this Agreement are hereby also deemed Confidential Information.

Service Provider shall not:

(a) disclose Confidential Information to any third party absent CHOP’s prior written consent, or to anyone inside Service Provider’s organization who does not have a need to know such information in order to perform Services hereunder;

(b) use Confidential Information or allow it to be used in any way other than for purposes of Service Provider’s performance under this Agreement; or

(c) use Confidential information for its own benefit or the benefit of others (other than CHOP).

Service Provider shall protect Confidential Information by using the same degree of care, but no less than the utmost degree of care, as Service Provider uses to protect its own Confidential Information. Service Provider agrees to return all Confidential Information received from CHOP at the request of CHOP, and in any case immediately upon termination of this Agreement or any other agreement into which the parties may enter. Service Provider agrees to notify CHOP in writing within twenty-four (24) hours of suspecting or discovering any unauthorized disclosure of Confidential Information, and shall cooperate with CHOP in the investigation of such suspected or actual disclosure.

In addition, with respect to any use and/or disclosure of Confidential Information not explicitly permitted under this Agreement, Service Provider shall: report to CHOP’s Office of General Counsel located at 3615 Civic Center Blvd., 14th Floor, Philadelphia, PA, 19104 (with a copy to legal@email.chop.edu), immediately, but no later than one (1) day of Service Provider’s discovery of such incident. The report shall specify at a minimum, a) the nature of the incident; b) the specific Confidential Information that was involved; c) the party responsible for making the unauthorized access, use or disclosure; d) what, if any actions Service Provider has taken or will take to limit the extent of the incident, mitigate the damage resulting therefrom and prevent additional incidents; e) when such corrective measures will be taken; and f) any other information CHOP reasonably requests.

25. USE OF NAME OR MARKS: Service Provider shall not use CHOP’s name, logo, trademarks or other identifying phrases in any way absent the prior written approval of CHOP’s Chief Marketing Officer for each instance of use. Requests for such use shall be made to CHOP’s Office of General Counsel at legal@email.chop.edu.

26. FETAL TISSUE. To the extent that this Agreement involves the procurement or use of fetal tissue, Service Provider represents and warrants that:

a) the donor of such fetal tissue provided full and complete written consent for such donation and, if the fetal tissue was derived from an abortion, such consent was given after the decision to obtain an abortion had already been
made;

b) the donor of the fetal tissues did not designate the recipient of that tissue;

c) no person who provided information to the donor employed the possibility of the use of aborted fetal tissue as an inducement to undergo such abortion;

d) no consideration was made of any kind to any donor of fetal tissue; and

e) Service Provider has documented whether such fetal tissue was procured as a result of still birth, miscarriage, ectopic pregnancy, abortion or other means.

27. CONFLICTS AND ETHICAL STANDARDS OF CONDUCT: Service Provider affirms that there exist no conflicts of interests between Service Provider and CHOP or its employees. Service Provider further affirms that it has not entered into and will not do so during the Term, any Agreements that would create a conflict with Service Provider’s obligations hereunder. In the event of change in Service Provider’s interests, Service Provider shall inform CHOP regarding any conflicts of interest that arise or are likely to arise as a result of such change. Service Provider hereby represents that it has neither received nor given gifts or gratuities to any member of the CHOP community, nor participated in any other unethical conduct in connection with this Agreement.

28. EQUAL OPPORTUNITY EMPLOYER: CHOP is an Equal Opportunity Employer. If applicable, CHOP and Service Provider shall abide by the requirements of 41 CFR 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified protected veterans or individuals with disabilities, prohibit discrimination against all individuals based on their race, color, religion, gender identity, sex, sexual orientation or national origin, and require that covered prime contractors, subcontractors and Service Provider to take affirmative action to employ and advance in employment individuals without regard to race, color, religion, gender identity, sex, sexual orientation, national origin, veteran status or disability. Service Provider warrants that it will not discriminate in the performance of this Agreement or employment against any person because of age, race, color, religion, national or ethnic origin, sex, sexual orientation, gender identity, marital status, veteran status, or disability. Service Provider also warrants that it will comply with all applicable executive orders, and federal, state, and local laws, regulations, and rules, relating to nondiscrimination, equal employment opportunity, and affirmative action.

29.
