Course Overview
This five-day course is a comprehensive examination of the morphology of congenital heart disease, led by Paul M. Weinberg, M.D., F.A.A.P., F.A.C.C., renowned cardiac morphologist, with sessions on echocardiography, magnetic resonance imaging and surgical correlation by distinguished faculty. The purpose of the course is to fill the need for detailed knowledge of the cardiac anatomy in all forms of congenital disease. The course is designed for senior, junior and trainee cardiologists, cardiothoracic surgeons, pathologists, pathology assistants, echocardiography sonographers and other medical professionals interested in congenital heart disease.

Objectives
Upon completion of this CME activity, participants will be able to:
1. Identify the key anatomical aspects of all forms of congenital heart disease.
2. Apply their anatomical knowledge to performance or interpretation of imaging studies of congenital heart disease.
3. Know the key anatomical features that influence surgical decision-making for repair of congenital heart defects.
4. Properly classify congenital heart defects.
5. List commonly associated congenital heart defects as well as those that rarely or never occur together.

AMC Credit Designation Statement
The Children's Hospital of Philadelphia designates this live activity for a maximum of 33.5 AMA PRA Category 1 Credit(s). Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Cancellation and Refund Policy
Refunds will be processed with written notification of cancellation received by Friday, Oct. 9, 2015, subject to a $75 service charge. The Children’s Hospital of Philadelphia reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of a cancellation or postponement, The Children’s Hospital of Philadelphia will refund the registration fees, but is not responsible for any related costs, charges or expenses to participants, including charges assessed by airlines, hotels and travel agencies.

Payment
Attendees are welcome to register by mail, fax or online. Please see the registration form for the mailing address, fax number and Web address. Pre-registration is required. The deadline for preregistration is Friday, Oct. 9, 2015. Payment must accompany the registration form for it to be processed. Once registration has been processed, a confirmation letter will be mailed. Please note: If you do not receive a confirmation within 10 days of registration, please contact the Continuing Medical Education Department at 215-590-5263.
