Define bimodal technology and describe four challenges in the audiologic breakfast, lunch and program materials. Register online at chop.cloud-cme.com.

Course Overview
This one-day conference for hearing healthcare professionals will address audiologic and medical candidacy, assessment, and management of implantable hearing technology in the pediatric population. Presenters will share research, best practice guidelines and outcomes of patients who use cochlear implants, bone-conduction hearing devices and auditory brainstem implants, as well as patients who utilize bimodal hearing technologies. Case studies highlighting different implantable devices and patient technology journeys will also be discussed.

Course Objectives
1. Compare audiologic and medical candidacy for percutaneous bone conduction device and passive transcutaneous magnet bone conduction device.  
2. List areas of expanded cochlear implantation criteria in the pediatric population.  
3. Describe the function of auditory brainstem implant in comparison to cochlear implant and three pediatric patient profiles for candidacy.  
5. Define bimodal technology and describe four challenges in the audiologic management of this patient population.

General Information
The conference will be held in the Ruth and Tristram Colket, Jr. Translational Research Building on the Raymond G. Perelman Campus of Children’s Hospital of Philadelphia. Registration will begin at 7:30 a.m. on Friday, March 10, 2017.

Course Fee
The registration fee of $140 (Professionals) or $80 (Full-time students) includes breakfast, lunch and program materials. Register online at chop.cloud-cme.com.

FRIDAY, MARCH 10, 2017
8 a.m. Registration and Breakfast
8:30 a.m. Welcome and Introduction
8:45 a.m. The Judy Gravel Lecture: Maximizing Electric and Acoustic Hearing for Pediatric Patients: The Effects of Early Access to Sound  
Lisa Davidson, PhD
9:45 a.m. Medical Perspectives and Considerations of Implantable Devices  
Robert C. O’Reilly, MD, FACS
10:30 a.m. Break
10:45 a.m. The Judy Gravel Lecture: Maximizing Electric and Acoustic Hearing for Pediatric Patients: Clinical Implications for Bimodal Fittings  
Lisa Davidson, PhD
11:45 a.m. Lunch/Exhibits/Buerger Center Clinic
12:45 p.m. Expanded Indications for Cochlear Implants and Other Implantable Devices  
Emily Lund, PhD
12:45 p.m. Early Literacy Development in Children with Cochlear Implants  
Amy Lant, PhD
3 p.m. Break
3:15 p.m. Grand Rounds: Implantable Devices  
Carman Haymon, AuD
Laura Moore, AuD
Sarah McKay, AuD
Lisa Novack, AuD
4:45 p.m. Closing Remarks and Adjourn

Continuing Education
Children’s Hospital of Philadelphia is approved by the American Academy of Audiology to offer Academy CEUs for this activity. The program is worth a maximum of .65 CEUs. Academy approval of this continuing education activity is based on course content only and does not imply endorsement of course content, specific products or clinical procedure, or adherence to the American Academy of Audiology’s Code of Ethics. Any views that are presented are those of the presenter/CPE Provider and not necessarily of the American Academy of Audiology. The Continuing Education activity represents .65 Tier I continuing education hours toward the American Board of Audiology® recertification requirements.

Hotel Accommodations
A block of rooms has been reserved at reduced rates at Sheraton Philadelphia University City (sheraton.com/UniversityCity), which is located just a few blocks from Children’s Hospital. The group overnight room rate is $172 single and double occupancy plus a 15.5 percent room tax. Participants are required to make their own hotel reservations by calling the hotel directly at 215-387-8000. Please mention the name of the conference when making your reservation. The special room rate will be available until Wednesday, Feb. 8, 2017. After that date, reservations will be accepted on a space and rate availability basis.

Services for People with Disabilities
If special arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.

Cancellation and Refund Policy
Children’s Hospital of Philadelphia reserves the right to cancel or postpone any course due to to any unforeseen circumstances. In the event of cancellation or postponement, Children’s Hospital of Philadelphia will refund any registration fees, less a $25 service fee, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by hotels, airlines or travel agencies. In order to process refunds for course withdrawals, cancellations must be received in writing by Friday, Feb. 24, 2017. No refunds will be issued thereafter.

This course has also been approved by the International Institute for Hearing Instruments Studies for .65 CEUs.

Instructional personnel disclosures, financial and nonfinancial, can be found at chop.cloud-cme.com.
