Maintenance of Certification in Anesthesia Simulation Session — Saturday, Oct. 27, 2018

Sponsored by the Department of Anesthesiology and Critical Care Medicine and the Center for Simulation, Advanced Education and Innovation

Ruth and Tristram Colket, Jr. Translational Research Building on the Raymond G. Perelman Campus

Children's Hospital of Philadelphia
Breakthroughs. Every day.
OVERVIEW
Simulation education is an innovative training method where physician anesthesiologists problem-solve issues in a setting that closely replicates actual clinical experience during surgery.

This course is designed to recreate realistic and challenging cases, such as insufficient oxygen levels in the blood, difficult airway management, emergency blood pressure issues or cardiac events. To improve clinical practice and patient outcomes, the Department of Anesthesiology and Critical Care Medicine at Children’s Hospital of Philadelphia follows the guidelines from the American Board of Anesthesiology (ABA) and other related associations on patient safety. Using these guidelines, physicians are educated through didactic lectures and advanced simulation scenarios to update advances in pediatric anesthesia and critical care medicine practice and address safety issues identified in the department and Hospital.

This live, instructor-led, advanced simulation course will provide a safe environment to learn about new techniques or drugs and offer participants experience in crisis management, patient safety and professional teamwork that can be difficult to teach in the active operating room arena.

This continuing medical education (CME) live activity has been approved for credit for Part 4: Lifelong Learning and Self-Assessment of the Maintenance of Certification in Anesthesiology (MOCA) Program. For more information, visit: theaba.org/MOCA

TARGET AUDIENCE
This course is intended for anesthesiologists interested in completing the training requirement for Part 4 (Practice Performance Assessment & Improvement) of MOCA.

CANCELLATION AND REFUND POLICY
Children’s Hospital of Philadelphia reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of cancellation or postponement, the Hospital will refund registration fees, less a $40 service fee, but is not responsible for any related costs, charges or expenses to participants, including cancellation charges assessed by airlines or travel agencies. Please wait for confirmation from the CME office that this course has the required six participants before making travel arrangements. In order to process refunds, cancellations must be received in writing by Friday, Sept. 28, 2018. No refunds will be issued thereafter.
LEARNING OBJECTIVES
 Upon completion of this live activity, participants should be able to:

1. Manage significant hemodynamic instability
2. Manage significant hypoxemia from any cause, including difficult airway management
3. Practice principles of teamwork and communication

ACCME ACCREDITATION STATEMENT
Children’s Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT
Children’s Hospital of Philadelphia designates this live activity for a maximum of 8.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with their participation in the activity.

GENERAL INFORMATION
The course will be held at Children’s Hospital of Philadelphia. Registration is required. Registration is limited to six participants per session and is on a first-come, first-served basis. The registration fee is $1,500 and includes course materials, lunch and parking.

HOTEL INFORMATION
Course attendees should make their own hotel reservations early by calling one of the hotels listed below. These hotels are within walking distance of Children’s Hospital of Philadelphia:

Sheraton Philadelphia University City Hotel  
36th and Chestnut streets, Philadelphia, PA 19104  
215-387-8000 – philadelphiasheraton.com

The Inn at Penn  
3600 Sansom St., Philadelphia, PA 19104  
215-222-0200 – theinnatpenn.com

SERVICES FOR PEOPLE WITH DISABILITIES
If arrangements are required for an individual with a disability to attend this meeting, please contact the Continuing Medical Education Department at 215-590-5263.
PROGRAM — SATURDAY, OCT. 27, 2018

8 a.m.   Welcome
          Introductions
          Orientation to Simulation Guidelines
          Introduction to MOCA Process and PPAI

9 a.m.   Brief Presentation on CRM Principles Followed by a Discussion of These Principles

9:30 a.m. Scenario 1 – Orientation to Manikin, Stem Story and Setting

9:35 a.m. Simulation: Participant 1 Leads

9:50 a.m. Debriefing

10:30 a.m. Scenario 2 – Orientation to Manikin, Stem Story and Setting

10:35 a.m. Simulation: Participant 2 Leads

10:50 a.m. Debriefing

11:30 a.m. Lunch and Discussion with Participants about Developing PPAI Goals

12:30 p.m. Scenario 3 – Orientation to Manikin, Stem Story and Setting

12:35 p.m. Simulation: Participant 3 Leads

12:50 p.m. Debriefing

1:30 p.m. Scenario 4 – Orientation to Manikin, Stem Story and Setting

1:35 p.m. Simulation: Participant 4 Leads

1:50 p.m. Debriefing

2:30 p.m. Break

3 p.m.   Discussion and Guidance with PPAI Development by the Participants

4 p.m.   Wrap-up and Adjournment
Stephanie Black, MD, EdM
Attending Anesthesiologist
Associate Director, Pediatric Anesthesiology Fellowship Program
Department of Anesthesiology and Critical Care Medicine
Assistant Professor of Clinical Anesthesiology and Critical Care Medicine

Ellen Deutsch, MD
Medical Director, PA Patient Safety Authority
Senior Scientist, Department of Anesthesiology and Critical Care Medicine

Harshad G. Gurnaney, MBBS, MPH
Attending Anesthesiologist
Director of Simulation for General Anesthesia
Department of Anesthesiology and Critical Care Medicine
Associate Professor of Anesthesiology and Critical Care Medicine

Roberta Hales, MHA, RRT-NPS, RN
Senior Simulation Educator
Center for Simulation, Advanced Education and Innovation

Justin L. Lockman, MD, FAAP
Director, Pediatric Anesthesiology Fellowship Program
Department of Anesthesiology and Critical Care Medicine
Assistant Professor of Critical Care Medicine, Anesthesiology and Pediatrics

Devika Singh, MD
Attending Anesthesiologist
Department of Anesthesiology and Critical Care Medicine
Assistant Professor of Anesthesiology and Critical Care Medicine

Princy Thottathil, MD
Attending Anesthesiologist
Department of Anesthesiology and Critical Care Medicine
Assistant Professor of Anesthesiology and Critical Care Medicine

Unless otherwise noted, faculty are from Children’s Hospital of Philadelphia and/or the Perelman School of Medicine at the University of Pennsylvania.
REGISTRATION

Maintenance of Certification in Anesthesia Simulation Session

SATURDAY, OCT. 27, 2018

Registration Deadline: Monday, Oct. 15, 2018

Name ________________________________________________________________________________

☐ MD  ☐ DO  ☐ Other ______________________________________________________________

Specialty ________________________________________________________________________________

Institution ________________________________________________________________________________

Home Address ________________________________________________________________________________

City ______________________________ State _______ ZIP __________________

Phone ______________________________ Fax ______________________________

Email ________________________________________________________________________________

CONFERENCE REGISTRATION FEE: $1,500

CREDIT CARD PAYMENT ONLY

☐ Discover  ☐ MasterCard  ☐ American Express  ☐ VISA

Credit Card # __________________________________________

Exp. Date __________________________________________

MAIL OR FAX THE COMPLETED REGISTRATION FORM AND PAYMENT TO:

Jamila Jamison, Continuing Medical Education
Children’s Hospital of Philadelphia
3401 Civic Center Blvd.
Philadelphia, PA 19104
