Wednesday and Thursday
May 18 – 19, 2016

The Unangst Family

Surgical Neonate: Looking into the Future

Thursday, May 18

8:00 – 8:30 AM Registration, Welcome and Introductions
8:30 – 9:00 AM The Surgical Neonate: Past and Future
9:00 – 9:30 AM The Surgical Neonate: Newborn and Infant Intensive Care
9:30 – 10:00 AM intro to Surgical Neonatology
10:00 – 10:30 AM Coffee Break
10:30 – 12:00 PM Case-Based Learning: Care of the Surgical Neonate

Friday, May 19

8:00 – 8:30 AM Registration, Welcome and Introductions
8:30 – 8:45 AM Diagnostic Imaging for the Surgical Neonate
8:45 – 9:15 AM Neonatal Surgery: Anesthesia and Critical Care
9:15 – 10:00 AM Dietary Physiology of the Surgical Neonate
10:00 – 10:30 AM Coffee Break
10:30 – 11:00 AM Pathology of the Surgical Neonate
11:00 – 12:00 PM Medical Management of the Surgical Neonate
3. Upon completion of this course, participants will have an understanding of the Children's Hospital of Philadelphia's Ruth and Tristram Evans Neonatal Surgical Program and how it impacts the care of surgical neonates.

4. The symposium will be held at The Children's Hospital of Philadelphia. A block of rooms has been reserved at reduced rates.

5. The Children's Hospital of Philadelphia reserves the right to cancel or postpone the course due to unforeseen circumstances.

6. The Children's Hospital of Philadelphia is accredited as a provider of continuing education by the Pennsylvania State Nurses Association, an approved provider of continuing education by the National League for Nursing, and an approved provider of continuing education by the Pennsylvania Board of Medical Commissioners.

7. Conference Planning Committee:

   - Chairs: Dr. juliana Gebb and Dr. Douglas Canning
   - Members: Dr. Marjorie Masten, Dr. Christine Franciscovich, Dr. Tracy Widmer, Dr. Sura Lee, Dr. Anne Cahill, Dr. Holly Hedrick, Dr. Julie Moldenhauer, Dr. nahla Khalek, Dr. Tamara Meeker, Dr. lisa Herkert, Dr. Nicole Yee, and Dr. Alice Willard

8. Conference Planning Team:

   - Chairs: Dr. juliana Gebb and Dr. Douglas Canning
   - Members: Dr. Marjorie Masten, Dr. Christine Franciscovich, Dr. Tracy Widmer, Dr. Sura Lee, Dr. Anne Cahill, Dr. Holly Hedrick, Dr. Julie Moldenhauer, Dr. nahla Khalek, Dr. Tamara Meeker, Dr. lisa Herkert, Dr. Nicole Yee, and Dr. Alice Willard

Program – Wednesday, May 18

8:30 a.m. Registration and Continental Breakfast

8:45 a.m. Welcome and Opening Remarks

9:00 a.m. Guest Speaker: Dr. Sura Lee

9:15 a.m. Session 1 – Surgical Challenge

   - Session 1A: The Surgical Neonate: Wounds and Tissue Fundamentals
     - Presenter: Dr. Marjorie Masten
   - Session 1B: E.C.M.O. Pain Management
     - Presenter: Dr. Christine Franciscovich

9:45 a.m. Concurrent Session 1

10:00 a.m. Session 2 – Surgical Challenge

   - Session 2A: A Detailed Ultrasound Examination at CHOP: ‘What’s Up With That?’
     - Presenter: Dr. nancy carroll
   - Session 2B: Neonatal Severe Case Bags and Drugs
     - Presenter: Dr. Marjorie Masten

10:30 a.m. Concurrent Session 2

11:15 a.m. Lunch

11:30 a.m. Concurrent Session 3

11:45 a.m. Closing Remarks

12:00 p.m. Adjourn and Distribution of CEs

Program – Thursday, May 19

7:30 a.m. Registration and Continental Breakfast

8:00 a.m. Welcome and Opening Remarks

8:15 a.m. Guest Speaker: Dr. juliana Gebb

8:30 a.m. Concurrent Session 1

9:00 a.m. Session 3 – Surgical Challenge

   - Session 3A: The Pulmonary Hypoplasia Program: Small Lungs, Big Puzzles
     - Presenter: Dr. Lisa Herkert
   - Session 3B: Congenital Lung Lesions
     - Presenter: Dr. Julie Moldenhauer

9:45 a.m. Concurrent Session 3

10:15 a.m. Concurrent Session 4

10:30 a.m. Lunch

11:15 a.m. Concurrent Session 5

Course Information

Nurses with congenital birth defects and their families face many challenges. Understanding the unique needs of these babies is important throughout the perioperative period. This course will help attendees understand the needs of these very specialized patients before and after birth. This two-day conference will provide continuing education on exciting and innovative aspects of the surgical journey from prenatal diagnosis to postnatal management. The presentations will address topics spanning from the need for universal screening in the pregnant and postpartum mother with complicated surgical issues. The conference will provide an educational opportunity for nurses and other medical staff who care for this unique surgical population.

General Information

The symposium will be held at The Children’s Hospital of Philadelphia, Ruth and Tristram Hospital of Philadelphia’s Ruth and Tristram Department at 215-590-5263.

Course Objectives

Upon completion of this course, participants should be able to:

1. Describe the impact of Extrauterine Support for Premature Infants
2. Differentiate between various congenital lung lesions and identify treatment modalities
3. Identify the goals of a fetal intervention for the Premature Infant (ESPI) on the care and management of antenatally diagnosed cases
4. Discuss potential outcomes for babies with severe congenital diaphragmatic hernias
5. Differentiate between various congenital lung lesions and identify treatment modalities

Nursing Accreditation Statement

The Children’s Hospital of Philadelphia is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an approved provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Hotel Accommodations

A block of rooms has been reserved at reduced rates at the Sheraton Philadelphia City Center just a few blocks from Children’s Hospital. The Sheraton Philadelphia City Center single/double room rate is $172 single and double occupancy plus 17.5% tax. Participants are required to make their own hotel reservations by calling the Sheraton directly at 215-237-8900.

Cancellation and Refund Policy

Reservations are on a space and rate availability basis. No shows are the concern of the conference when making your reservation. The special room rate will be available until Sunday, April 17, 2016. After that date, reservations will be accepted on a space and rate availability basis.

Concourse Objectives

1. Describe the impact of Extrauterine Support for Premature Infants
2. Differentiate between various congenital lung lesions and identify treatment modalities

Course Overview

Nurses with congenital birth defects and their families are very passionate about education. Understanding the unique needs of these babies is imperative when planning for their care. The symposium is an opportunity to provide your pediatric nurse colleagues with up-to-date information on the complex multisystem nature of these newborns. The perioperative period is an imperative throughout the entire course of care. Understanding the unique needs of these babies is imperative when planning for their care.

1. Describe the impact of Extrauterine Support for the Premature Infant (ESPI) on the care and management of extremely premature infants
2. Identify the goals of a fetal intervention for a child needing surgery
3. Discuss postnatal outcomes for babies who have undergone fetal surgery

Course Objectives

Upon completion of this course, participants should be able to:
1. Describe the impact of Extrauterine Support for the Premature Infant (ESPI) on the care and management of extremely premature infants
2. Identify the goals of a fetal intervention for a child needing surgery
3. Discuss postnatal outcomes for babies who have undergone fetal surgery

Cancellation and Refund Policy

The symposium will be held at The Children's Hospital of Philadelphia, Ruth and Tristram Colket, Jr. Translational Research Building. The two-day registration fee is $200 and a one-day registration fee is $125. The registration fee is non-refundable.
